WELLNESS PLAN

Public Radio Regional Organizations consider the safety of all those onsite at Public Radio Super-Regional Meeting as our top priority. Our Duty of Care is a living document that will continue to evolve, incorporating innovative features to enhance further the onsite experience and safety for everyone in attendance.

We continue to closely monitor developments related to COVID-19 and adjust our event planning as appropriate. We selected the event venue based on their versatility and ability to provide plenty of room to spread out and enjoy the presentations.

Travel

- We encourage everyone attending the Public Radio Super-Regional Meeting to check and adhere to all travel requirements related to COVID-19.

Vaccinated Attendees

- You will receive an email from the Public Radio Super-Regional Meeting the week leading up to the conference requesting a scanned copy of your vaccination card.

Unvaccinated Attendees

- If you have not been fully vaccinated before the conference, we will ask you to provide proof of a negative COVID test the week before the meeting **and daily while onsite in Denver**. The unvaccinated attendee will be responsible for the cost of testing. [You can schedule your daily Denver tests right on the 16th Steet Mall \(1600 California Street, Denver, CO 80202\), 2 blocks from the Grand Hyatt.](#)

Masks

- All attendees will be required to wear face masks while attending the Public Radio Super-Regional Meeting at all inside functions.

Name Badges

We are working to make it easy for you to let others know your COVID-19 comfort level when it comes to interactions at the Public Radio Super-Regional Meeting. Choose a red, yellow, or green ribbon when you pick up your name badge so people know to maintain distance, only for an elbow bump or bring on the high fives and hugs.

Pick a lanyard that's right for you:

Red: I Wave From Here

Yellow: Keeping Some Distance

Green: Fist Bumps and Handshakes

Hand Sanitizer

- Hand sanitizer stations will be positioned throughout the meeting space.

In partnership with the Grand Hyatt Denver, we will be providing:

- Responsible Food and Beverage and Seating for meeting spaces
- Appropriate signage/floor decals to reinforce spatial distancing and other safety reminders

Personal Accountability Commitment

- By attending Public Radio Super-Regional Meeting, you agree to abide by and engage in certain health-and-safety-beneficial conduct while attending the event. This includes, but is not limited to, submitting to daily temperature checks, wearing a mask at all times in public areas, engaging in appropriate physical distancing, not attending the event if you are ill, or have recently been exposed to COVID-19.
